

X3 LEG SLOT3

TEAM ACTIVITY STRUCTURE AND BREAKDOWN

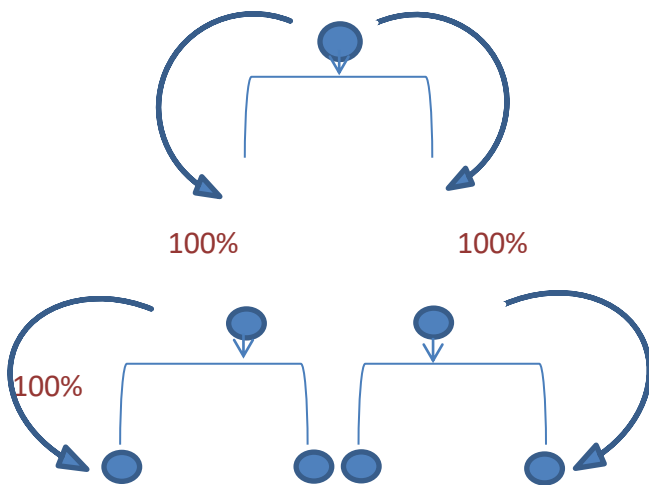

1. We are now working with 2 downline structure in order to eliminate loses through re-investment
2. Each team member will upgrade to a slot only with **50%** of the required amount, i.e the **X3 LEG**, the upline will receive this fund send it back to the downline so he/she can buy **X4 LEG** of the same slot (**this will eliminate central wallet**)
3. Old members will on slot 3 will top up their account with **\$112 to buy only SLOT 4 X3 LEG ON**
4. New members will sign up with a min of 0.175ETH (about \$108 including network fee), this amount is required to upgrade to slot 3 on X3 but you retain 20% of whatever you earn on x4 leg upgrade

X4 LEG SLOT3

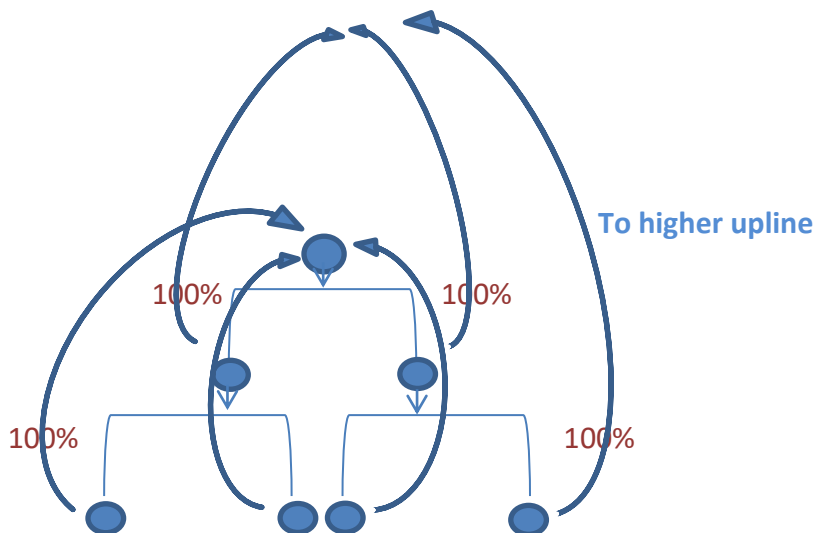

X3 LEG BREAKDOWN

1. Members receive back their x3 upgrade back from any slot, this money they now use it to upgrade on x4, whatever remains 20% belong to you as team member and the remaining belongs to the team for upgrades

X4 LEG BREAKDOWN

Members receive back their x3 upgrade back from any slot, this money they now use it to upgrade on x4, whatever remains 20% belong to you as team member and the remaining belongs to the team for upgrades
